Consolidated Superior Courts Cases Service	The new Superior Courts Cases Service contains digests to all the cases, under each Order, of the Rules of the Superior Courts, and encompasses under each Order of the Rules of the Superior Courts, and encompasses every case that has been considered in the Superior Courts. The digest of each case provides the judge's analysis of each Order. A full citation number is also presented under each case which indicates where the full text of the case can be found. Valuable Case Headnotes provide the issues considered in the judgment. This will result in a greater understanding of complex and far-reaching implications of important cases referred to in that judgment. By expertly compiling and collating all cases where a reference is made to the rule by the judge, under the various Orders, it provides an essential reference that saves you time.	1	Looseleaf	€495	€170	€325	0%	€598.95
